12. **MEMBERSHIP AND DESIGNATION.**

FACOSH consists of sixteen (16) representative members appointed by the Secretary. Eight (8) members represent management of federal departments and agencies (management members), and eight (8) members are from labor organizations representing federal employees (labor members). Members serve at the pleasure of the

Secretary for a term not exceeding three (3) years. The Secretary may reappoint any member to a successive term.

Except as otherwise required by law, Committee membership shall be consistent with applicable FACA regulations, as follows: a) Membership on FACOSH shall be fairly balanced; b) Members shall come from a cross-section of those directly affected, interested, and qualified as appropriate to the nature and functions of FACOSH; c) the composition of the Committee will therefore depend upon several factors, including: i) FACOSH's mission; ii) the geographic, ethnic, social, economic, or scientific impact of FACOSH's recommendations; iii) the types of specific perspectives required; iv) the need to obtain divergent points of view on the issues before FACOSH, such as, for example, those of consumers, technical experts, the public at-large, academia, business, or other sectors; and v) the relevance of State, local or tribal governments to the development of FACOSH's recommendations.

To the extent permitted by FACA and other laws, FACOSH membership also should be consistent with achieving the greatest impact, scope and credibility among diverse stakeholders. The diversity in such membership includes, but is not limited to, race, gender, disability, sexual orientation and gender identity.

Members do not receive compensation for serving on FACOSH, but are allowed travel expenses, including per diem in lieu of subsistence as authorized by 5 U.S.C. 5703. Members are not deemed to be employees of the United States by virtue of their membership on FACOSH.

The Secretary or his/her designee serves as the FACOSH Chair. The FACOSH Chair may designate a representative to preside at a FACOSH meeting if the Chair is not able to attend.

13. **SPECIAL AGENCY LIAISONS** (SALs).

SALs from the Department of Labor – Bureau of Labor Statistics and Office of Workers' Compensation Programs; Department of Health and Human Services – National Institute of Occupational Safety and Health; General Services Administration; and Office of Personnel Management shall serve as permanent expert and technical advisors to FACOSH due to the unique relationship between the mission of those agencies and the occupational safety and health of the Federal workforce.

14. **SUBCOMMITTEES.**

The Secretary, through the FACOSH Chair, may establish any number of subcommittees and informal workgroups for the purpose of assisting the FACOSH in carrying out its functions. Subcommittees and informal workgroups only may provide advice and recommendations to the FACOSH for deliberation.

Representation on subcommittees shall be balanced and proportionate to that of FACOSH itself. The FACOSH Chair shall appoint subcommittee chairs. Members of FACOSH subcommittees need not be members of FACOSH, but only FACOSH members may vote at subcommittee meetings.
