The agency believed that the establishment of a Visitor Experience Subcommittee was premature in 2016 but has been reconsidered in FY 2023. TUSK has begun collecting visitor use data that is showing what types of recreation are occurring at the monument. A subcommittee may be established to gather info through the tourism industry to determine what experiences are lacking in the LV valley or which ones we haven't thought of yet. The GMP kicked off in July 2021.
