Narrative Description

The Commission made detailed recommendations to strengthen cybersecurity in both the public and private sectors while protecting privacy, ensuring public safety and economic and national security, fostering discovery and development of new technical solutions, and bolstering partnerships between Federal, State, and local government and the private sector in the development, promotion,

and use of cybersecurity technologies, policies, and best practices. The Commission's recommendations addressed actions that can be taken over the next decade to accomplish these goals. GSA could not complete the FY18 Annual Comprehensive Review for this committee.
