20a. How does the Committee accomplish its purpose?

The Committee is performing such functions and duties and prepare such reports, as may be required by Section 135 of the Trade Act, with respect to the industry trade advisory committees. The Committee advises the Secretary and USTR on trade matters referred to in section 135(a)(1) of the Act, and is consulted regarding the matters referred to in section 135(a)(2) of the Act. The Committee provides detailed policy and technical advice, information, and recommendations to the Secretary and USTR regarding trade barriers, negotiation of trade agreements under section 2103 of the Bipartisan Trade Promotion Authority Act of 2002, and implementation of existing trade agreements affecting its sector.

20b. How does the Committee balance its membership?

Members shall be selected on a clear, standardized basis, in accordance with applicable Department of Commerce guidance, the principal criterion for selection being ability to carry out the objectives of this Committee as set forth in Section 3 of the Charter. Secondary selection criteria are ensuring that the Committee is balanced in terms of points of view, demographics, geography, and company size.

20c. How frequent and relevant are the Committee Meetings?

The Committee meets approximately 4-6 times a year.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

This Committee is essential to carry out the Secretary and USTR's responsibilities under section 135(c)(2) of the 1974 Trade Act, as delegated by E.O. 11846 of March 27, 1975. There is no other Committee that can perform the duties of this Committee.

20e. Why is it necessary to close and/or partially closed committee meetings?

The Industry Trade Advisory Committees were established by the Trade Act of 1974 and in accordance with the Federal Advisory Committee Act (FACA). Subsection 135(f) of the Trade Act provides that the ITACs shall be exempt from the provisions of the FACA relating to open meetings, public notice, public participation, and public availability of documents when it is determined that the proceedings would, if disclosed, seriously compromise the Government's negotiating objectives or bargaining positions regarding

trade policy matters. ITAC meetings routinely involve these kinds of discussions. The United States Trade Representative evaluates each meeting agenda and issues a Notice of Determination when it is necessary to close meetings.

21. Remarks

Subcommittees, or their equivalents, are authorized to be formed under the terms of the Committees' charters, which were issued pursuant to Subsection 135 (f) of the Trade Act of 1974 (Public Law 93-618) as amended, and the Federal Advisory Committee Act (Public Law 92-463). Because subcommittees, or their equivalents, do not report out independently but through the parent Committee, the costs are included under the parent Committee.

Narrative Description

Most feedback is rendered orally during meetings. When written advice is sent to the Secretary of Commerce and the USTR, or their designees, it is reviewed by the Secretary's policy staff and tasked to the appropriate ITA unit to prepare a draft response. Commerce internal procedures require that all responses for Secretarial signature (and/or joint signature with USTR) go through a concurrence process which ensures that the appropriate level Commerce officials are seeing the advice and have a chance to comment. All formal responses must be cleared by the Under Secretary of Commerce for International Trade prior to the Secretary's signature. This ensures that ITAC advice is weighed and considered.
