**21. Remarks**

The final report was submitted to the Secretary, HHS in January 2013. This is a statutory committee that has completed the task it was charged with in legislation, and is administratively inactive. In FY2019, this committee was recommended for termination by HHS to OMB under Executive Order 13875. The committee did not meet, there are no members, costs, or reports in FY23. This committee does not have a public website. Because this committee is administratively inactive, the positions of committee designated federal official and committee decision maker are held by the same individual.

**Designated Federal Officer**

Gwen Collman Director, Division of Extramural Research and Training

### Number of Recommendations Comments

Based on its review of the state of the science, current programs and investments by federal agencies and non-governmental organizations, and relevant communication efforts and policies, the Interagency Breast Cancer and Environmental Research Coordinating Committee has provided a comprehensive report summarizing its findings and seven recommendations to highlight the need for coordinated, targeted efforts to identify and mitigate the environmental causes of breast cancer. The report and recommendations were submitted to the Secretary, HHS in January 2013.

**What is the approximate Percentage of these recommendations that have been or will be Fully implemented by the agency?**

0%

**% of Recommendations Fully Implemented Comments**

The Committee's primary mission was to facilitate the efficient and effective exchange of information on breast cancer research activities among the member agencies, and to advise the NIH and other Federal agencies in the solicitation of proposals for collaborative, multidisciplinary research, including proposals to further evaluate environmental and genomic factors that may be related to the etiology of breast cancer. The Committee served as a forum and assisted in increasing public understanding of the member agencies' activities, programs, policies, and research, and in bringing important matters of interest forward for discussion.
