20a. How does the Committee accomplish its purpose?

The Committee performs such functions and duties and prepares such reports as may be required by Section 135 of the Trade Act, with respect to the industry trade advisory committees.

The Committee advises the Secretary of Commerce (Secretary) and the United States Trade Representative (USTR) on trade matters referred to in section 135(a)(1) of the Act, and is consulted regarding the matters referred to in section 135(a)(2) of the Act. The Committee provides detailed policy and technical advice, information, and recommendations to the Secretary and USTR regarding trade barriers, negotiation of trade agreements under section 2103 of the Bipartisan Trade Promotion Authority

Act of 2002, and implementation of existing trade agreements affecting its sector.

20b. How does the Committee balance its membership?

The Secretary and the USTR make every effort to maintain balanced industry representation on the Committee. In order to achieve balanced representation, consideration is given to balance among sectors, product lines, small, medium, and large firms, and geographic areas. In addition, the Secretary and the USTR are committed to achieving diversity in the membership of the Committee to the maximum extent practicable consistent with the need for balanced industry representation and expertise. The Secretary and the USTR may seek additional nominations as necessary to ensure balanced representation, to meet a need for special representation, or to achieve diversity and demographic balance. Members are selected on a clear, standardized basis, in accordance with applicable Department of Commerce guidance, the principal criterion for selection being the ability to carry out the objectives of this Committee as set forth in Section 3 of the ITAC's Charter. Secondary selection criteria are ensuring that the Committee is balanced in terms of points of view, demographics, geography, and company size.

20c. How frequent and relevant are the Committee Meetings?

Estimated Number of Meetings per Year - 2-4, depending on the work of the Committee.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

This Committee is essential to carry out the Secretary's and USTR's responsibilities under

section 135(c)(2) of the 1974 Trade Act, as delegated by E.O. 11846 of March 27, 1975. There is no other Committee that can perform the duties of this Committee.

20e. Why is it necessary to close and/or partially closed committee meetings?

The Industry Trade Advisory Committees were established by the Trade Act of 1974 and in accordance with the Federal Advisory Committee Act (FACA). Subsection 135(f) of the Trade Act provides that the ITACs shall be exempt from the provisions of the FACA relevant to open meetings, public notice, public participation, and public availability of documents when it is determined that the proceedings would, if disclosed, seriously compromise the Government's negotiating objectives or bargaining positions regarding trade policy matters. ITAC meetings routinely involve these kinds of discussions. The Department of Commerce and the Office of the USTR evaluates each meeting agenda and issues a Notice of Determination when it is necessary to close meetings.

21. Remarks

Subcommittees, or their equivalents, are authorized to be formed under the terms of the Committees' charters, which were issued pursuant to Subsection 135 (f) of the Trade Act of 1974 (Public Law 93-618) as amended, and the FACA (Public Law 92-463). Because subcommittees, or their equivalents, do not report out independently but through the parent Committee, the costs are included under the parent Committee. ITAC members are appointed at the start of a new charter term and on a rolling basis throughout the four-year charter term. Resignations occur when a members change representation, leaves

employment, due to ill-health, or no longer wants to serve as an advisor and departs prior to membership expiration date. All members who resign in the FY are kept on the ACR with effective resignation date.

Agency Feedback Comments

Most feedback is rendered orally during meetings; when written advice is sent to the Secretary of Commerce and the USTR, or their designees, it is reviewed by the Secretary's policy staff and tasked to appropriate ITA units to prepare draft responses. Commerce internal procedures require that all responses for Secretarial signature (and/or joint signature with USTR) go through a formal concurrence process which ensures that the appropriate level Commerce officials are seeing the advice and have a chance for comment. The Under Secretary of Commerce for International Trade reviews and clears prior to the Secretary's review and signature, which ensures that ITAC advice is weighed and considered.
