20a. How does the Committee accomplish its purpose?

To accomplish broad program goals, the Committee is made up of members from the National Heart, Lung, and Blood Institute (NHLBI), as well as representatives from other Federal agencies, intermediaries including major medical associations, voluntary health organizations, and community programs.

20b. How does the Committee balance its membership?

The Committee consisted of up to 15 voting members. Members consisted of Federal employees, Special Government Employees (SGEs), and Representatives. In addition, one official from the Division of Lung Diseases, and one official from the Center for Translation Research and Implementation Science served as co-Chairs of the Committee. At least three members represented government agencies, from among the NIH national research institutes and centers involved in research with respect to asthma, the Department of Housing and Urban Development, the Centers for Disease Control and Prevention, or any other Federal departments and agencies whose programs involve health functions or responsibilities relevant to this disease. At least three non-Federal members served as Special Government Employees selected from the health and scientific disciplines with respect to asthma. At least three non-Federal members served as Representatives from professional societies, voluntary health organizations, and community programs whose purpose is to enhance the quality of life for patients with asthma and decrease asthma-related morbidity and mortality. NIH submitted a request to HHS in spring 2025 to designate the committee as Administratively Inactive. As of the date of this report, the request is pending HHS review.

20c. How frequent and relevant are the Committee Meetings?

The Committee did not have any meetings in FY2025. NIH submitted a request to HHS in spring 2025 to designate the committee as Administratively Inactive. As of the date of this

report, the request is pending HHS review.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

NIH submitted a request to HHS in spring 2025 to designate the committee as Administratively Inactive. As of the date of this report, the request is pending HHS review.

20e. Why is it necessary to close and/or partially closed committee meetings?

N/A.

21. Remarks

Charter: NIH submitted a request to HHS in spring 2025 to designate the committee as Administratively Inactive. As of the date of this report, the request is pending HHS review.

Meetings: This committee did not meet in FY25.

NIH submitted a request to HHS in spring 2025 to designate the committee as Administratively Inactive. As of the date of this report, the request is pending HHS review. Reports: This committee

did not produce any public reports. Chairs: This committee is structured to have co-chairs, based on positions held within the Institute, designated by the Charter. Members: Dr. Bryant-Stephens'

term was reported inaccurately last year with a 2026 end date, and has been updated to the correct 2025 end date. Dr. James Kiley's (Chair) term ended 9/30/2024, this was inadvertently left off of the 2024 report. Designated Federal Official Dr. Mihaela S. Stefan retired in 2024, Dr. Gustavo Matute-Bello, Acting Director, Division of Lung Diseases, NHLBI, has replaced her as DFO and Decision Maker for the committee.

Designated Federal Officer

Gustavo Matute-Bello Acting Director, Division of Lung Diseases, NHLBI

Narrative Description

NIH's mission is to seek fundamental knowledge about the nature and behavior of living systems and the application of that knowledge to enhance health, lengthen life, and reduce illness and disability. NIH works toward that mission by the establishment of

the National Asthma Education Prevention Program (NAEPP) Coordinating Committee to provide advice and guidance concerning the NAEPP, Division of Lung Diseases, National Heart, Lung, and Blood Institute.

What are the most significant program outcomes associated with this committee?

	Checked if Applies
Improvements to health or safety	<input checked="" type="checkbox"/>
Trust in government	<input type="checkbox"/>
Major policy changes	<input type="checkbox"/>
Advance in scientific research	<input type="checkbox"/>
Effective grant making	<input type="checkbox"/>
Improved service delivery	<input type="checkbox"/>
Increased customer satisfaction	<input type="checkbox"/>
Implementation of laws or regulatory requirements	<input type="checkbox"/>
Other	<input type="checkbox"/>

What are the cost savings associated with this committee?

	Checked if Applies
None	<input type="checkbox"/>
Unable to Determine	<input checked="" type="checkbox"/>
Under \$100,000	<input type="checkbox"/>
\$100,000 - \$500,000	<input type="checkbox"/>
\$500,001 - \$1,000,000	<input type="checkbox"/>
\$1,000,001 - \$5,000,000	<input type="checkbox"/>
\$5,000,001 - \$10,000,000	<input type="checkbox"/>
Over \$10,000,000	<input type="checkbox"/>
Cost Savings Other	<input type="checkbox"/>

Cost Savings Comments

NIH supported basic and clinical research accomplishments often take many years to unfold into new diagnostic tests and new ways to treat and prevent diseases.

What is the approximate Number of recommendations produced by this committee for the life of the committee?

15

Number of Recommendations Comments

The Committee did not meet in this fiscal year and therefore did not have any recommendations in FY25.

What is the approximate Percentage of these recommendations that have been or will be Fully implemented by the agency?

0%

% of Recommendations Fully Implemented Comments

Due to the complexity of the recommendations made by this committee, staff is unable to determine which recommendations have been fully or partially implemented solely in response to this committee's activities.

What is the approximate Percentage of these recommendations that have been or will be Partially implemented by the agency?

0%

% of Recommendations Partially Implemented Comments

Due to the complexity of the recommendations made by this committee, staff is unable to determine which recommendations have been fully or partially implemented solely in response to this committee's activities.

Does the agency provide the committee with feedback regarding actions taken to implement recommendations or advice offered?

Yes No Not Applicable

Agency Feedback Comments

Information is provided to the public at each meeting. The public can view information related to the Committee through the committee's official website.

What other actions has the agency taken as a result of the committee's advice or recommendation?

Checked if Applies

Reorganized Priorities

- Reallocated resources
- Issued new regulation
- Proposed legislation
- Approved grants or other payments
- Other

Action Comments
