**20a. How does the Committee accomplish its
purpose?**

The BLM's Pecos District RAC provides
 representative citizen council and advice to the
 Secretary of the Interior through the Bureau of
 Land Management's New Mexico State Director

concerning the planning and management of public land resources located within the jurisdictional boundaries of the BLM's Pecos District.

20b. How does the Committee balance its membership?

The Pecos District Resource Advisory Council is composed of 10 members distributed in a balanced fashion among the following groups and within those groups. Specific interests include: Category I includes those holding Federal grazing permits or leases, interests associated with transportation or rights-of-way, developed outdoor recreation, OHV users, or commercial recreation activities, commercial timber industry, or energy and mineral development. Category II includes nationally or regionally recognized environmental organizations, dispersed recreation activities, archaeological and historical interests, or nationally or regionally recognized wild horse and burro interest groups. Category III includes state, county, or locally elected office-holders, employee of a State agency responsible for the management of natural resources, Indian Tribes within or adjacent to the area for which the RAC is organized, are employed as academicians in natural resource management or the natural sciences, or represent the public-at-large.

20c. How frequent and relevant are the Committee Meetings?

The RAC did not meet in FY2020. RAC generally meets 2-4 times a year. Meetings are timely and relevant to actions occurring within the Pecos District.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The RAC develops recommendations for the BLM regarding the preparation, amendment, and implementation of land use plans for the public lands and resources within the jurisdiction of the RAC. This may require the RAC to, at the direction of the designated Federal officer, gather and analyze information, conduct studies and field examinations, hear public comments, and provide advice on the issues presented.

20e. Why is it necessary to close and/or partially closed committee meetings?

All meetings are open to the public. Notices of the meetings are published in the Federal Register, posted on the BLM New Mexico website, and distributed to local newspapers.

21. Remarks

The Pecos District Resource Advisory Council (73657) was consolidated with the Las Cruces District Advisory Council (73658) into a single Southern New Mexico Resource Advisory Council (84601) effective June 17, 2020. The Pecos District RAC did not meet in FY2020, but did incur staff time costs processing applications from the 2019 National Call for Nominations.
