### **Narrative Description**

The Advisory Committee for Aviation Consumer Protection evaluates and provides recommendations to the Secretary of Transportation on ways to improve existing aviation consumer protection programs and for establishing additional such programs, if needed. The Committee was chartered in May 2012. The ACACP held its first two meetings during FY 2012; the third and fourth meetings were held during FY 2013; the fifth meeting took place during FY 2014. The ACACP met four more times in FY 2015, and submitted preliminary recommendations which will be the basis for its final report to the Department. It was dormant throughout FY 2016, but was reestablished under renewed statutory authority in FY 2017. No committee activity occurred in FY 2017 and FY 2018 and all member appointments expired. In FY 2019, the Committee was reestablished and renamed as the Aviation Consumer Protection Advisory Committee and new members were appointed. A public meeting was held on April 4, 2019, and September 24, 2020.
