20a. How does the Committee accomplish its purpose?

The ACAT shall undertake information gathering activities, develop technical advice, and present recommendations to the Secretary to further inform this policy, including—but not limited to—automated and connected road and transit vehicle technologies, enhanced freight movement technologies, railroad automated technologies, aviation automated navigation systems technologies, unmanned aircraft systems, and advanced technology deployment in surface transportation environments. ACAT was inactive in FY18

20b. How does the Committee balance its membership?

The ACAT will comprise of no more than 25 voting members deemed to reflect various cross-modal perspectives on automated transportation, including vehicle automation, intelligent transportation systems (ITS), robotics, enhanced freight movement, air traffic control next generation technology, and advanced transportation technology deployment. The Secretary of Transportation will seek a membership that is fairly balanced in terms of points of view of the affected interests. Due to the rapid evolution of innovative technologies and the emphasis that must be placed on deployment, ACAT membership shall reflect experience in and familiarity with future innovations in technology, business development, and strategic planning issues. Members of the ACAT may be selected to serve as representative members to the committee, or appointed as Special Government Employees. The ACAT members will serve 4-year terms, provided that the charter is renewed by the Secretary for another two years, with no more than two consecutive term reappointments. All members serve at the pleasure of the Secretary. Members may continue to serve until their replacement has been appointed. ACAT was inactive in FY19

20c. How frequent and relevant are the Committee Meetings?

The committee will meet approximately twice per year. Additional meetings may be convened as deemed necessary. ACAT was inactive in FY19

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The objective of this committee was to provide information, advice, and recommendations to the U.S. Secretary of Transportation on matters relating to the development and deployment of automated transportation systems. ACAT was inactive in FY19

20e. Why is it necessary to close and/or partially closed committee meetings?

Not Applicable

21. Remarks

The Committee is not active. Based on USDOT's development and publication of AV 3.0 policies and principles, active stakeholder engagement is already underway. Therefore the USDOT does have the ability to obtain broad stakeholder feedback on AV matters outside of the committee.
