20a. How does the Committee accomplish its purpose?

The purpose of the Committee was legislatively defined: to advise the Secretary of Health and Human Services on the design, implementation, progress, and findings of the evaluation required for the Maternal, Infant and Early Childhood Home Visiting Program under the Affordable Care Act.

20b. How does the Committee balance its membership?

A workgroup of several agencies compiled a list of suitable candidates expert in the three relevant fields of knowledge identified in the statute (program evaluation and research, education, and early childhood development.) The resulting list of individuals was distributed within HRSA and ACF staff and leadership to solicit comment and elicit additional suggestions of potential candidates. HRSA and ACF concurred on the final list of expert nominees which was balanced across area of expertise, gender, ethnicity and geographic representation.

20c. How frequent and relevant are the Committee Meetings?

This committee is administratively inactive.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The establishment of the Committee was mandated by legislation. The implementing agencies issued a report to Congress in March 2015 on the national evaluation of the MIECHV program and incorporated the advice of the Committee in the various phases (design, implementation, progress and findings) of such evaluation.

20e. Why is it necessary to close and/or partially closed committee meetings?

The committee did not hold closed meetings.

21. Remarks
