**20a. How does the Committee accomplish its purpose?**

The Panel may advise the Secretary of the Department of Health and Human Services (HHS), and the Administrator of the Centers for Medicare & Medicaid Services (CMS), on the following: 1) the establishment of payment rates under section 1834A of the Act for new clinical diagnostic laboratory tests, including whether to use cross-walking or gap-filling processes to determine payment for a specific new test; and 2) the factors used in determining coverage and payment processes for new clinical diagnostic

laboratory tests. In addition, the Panel may provide recommendations to the Secretary of HHS and the Administrator of CMS under section 1834A of the Act.

**20b. How does the Committee balance its membership?**

The Panel shall consist of up to 15 individuals with expertise in issues related to clinical diagnostic laboratory tests, which may include representatives of clinical laboratories, molecular pathologists, clinical laboratory researchers, and individuals with expertise in clinical laboratory science or health economics, with regard to issues related to the development, validation, performance, safety, and application of such tests. Members shall be appointed by the Secretary, or CMS Administrator, or CMS Administrator's designee.

**20c. How frequent and relevant are the Committee Meetings?**

Estimated Number of Meetings per Year - 4. The Panel is relevant because it considers and advises on the following issues:•Calculation of weighted medians of private payor rates for laboratory tests.•Phase-in of reductions in Medicare payment rates based on private payor rates, as required.•Application of market rates to establishment of Medicare payment rates.•Evaluation and designation of tests as advanced diagnostic laboratory tests as defined in section 1834A of the Act.•Whether to use crosswalking or gapfilling to determine payment for a specific new test.•The factors used in determining coverage or payment processes for new clinical diagnostic laboratory tests.

**20d. Why can't the advice or information this**

**committee provides be obtained elsewhere?**

The Medicare Advisory Panel on Clinical Diagnostic Laboratory Tests (the Panel) is required by law under section 1834A(f)(1) of the Social Security Act (42 U.S.C. 1395m-1) (the Act), as established by section 216 of Public Law 113-93, enacted April 1, 2014.

**20e. Why is it necessary to close and/or partially closed committee meetings?**

Meetings are not closed; in fact, they are open to the public. Notices of meetings are given to the public in the Federal Register, and there will be records of the meeting proceedings kept, as required by applicable laws and departmental regulations. In the event that a portion of a meeting is closed to the public, a report will be prepared that contains at a minimum a list of members and their business addresses, the Panel's function, dates and places of meetings, and a summary of Panel activities and recommendations made during the fiscal year. A copy of the report will be provided to the Department Committee Management Officer.

**21. Remarks**

The Medicare Advisory Panel on Clinical Diagnostic Laboratory Tests does not currently have a Chairperson. The former Chairperson retired in 2023 and a new Chairperson has not yet been selected.
