**20a. How does the Committee accomplish its purpose?**

The purpose of a Secure Rural Schools and Community Self-Determination Act resource advisory committee is to provide advice and recommendations to the Forest Service consistent with Division C, Title VI of Public Law 110-343. The Act describes the duties of the committees as follows: to review projects proposed by counties and other interested parties; to recommend projects and funding; to provide early and continuous coordination with Forest Service

officials; to provide frequent opportunities for citizens, organizations, tribes, land management agencies and other interested parties to participate openly and meaningfully, beginning in the early stages of project development; to monitor projects approved under the Act; to advise the designated federal official on the progress of monitoring; and to make recommendations for any appropriate changes or adjustments to projects being monitored.

**20b. How does the Committee balance its membership?**

All but 2 of the 12 members have terms expiring in September 2023. A full nomination package is currently prepped for submission with the intent of nominating a full committee roster of 15 members. Outreach for these vacancies had an emphasis on ethnic, gender and age diversity. Each of the three categories will have 5 members as prescribed in the Act. Within each category, the Act identifies specific interests members are to represent. Committees are formed in geographic areas to ensure each national forest located within a participating county or counties has access to a resource advisory committee.
