20a. How does the Committee accomplish its purpose?

The Task Force shall: (a) assess the effectiveness of the policies and programs developed and implemented by the Department of Defense, and by each of the Military Departments to assist and support the care, management, and transition of recovering wounded, ill, and injured members of the Armed Forces; and (b) make

recommendations for the continuous improvements of such policies and programs. In addition, each year the Task Force shall submit its recommendations to the Secretary of Defense, and within 90 days the Secretary of Defense shall forward the Task Forces' report and the Secretary's comments to the Committees on Armed Services for the Senate and the House of Representatives.

20b. How does the Committee balance its membership?

The Department of Defense determines the actual membership based upon criteria established in the advisory committee's enabling legislation (section 724 of Public Law 111-84).

20c. How frequent and relevant are the Committee Meetings?

Task Force will hold 6 committee meetings and 14 site visits for FY14.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The Department of Defense Task Force on the Care, Management, and Transition of Recovering Wounded, Ill, and Injured Members of the Armed Forces was directed by an Act of Congress (section 724 of Public Law 111-84).

20e. Why is it necessary to close and/or partially closed committee meetings?

Meetings are not closed to the public unless the Department of Defense determines that items on the planned agenda meet the closed meeting provisions of 5 U.S.C. § 552b(c). Pursuant to DoD policy closed meetings can only be authorized by the DoD Sponsor (i.e., the Under Secretary of Defense for Personnel and Readiness), and only

after consultation with the Office of the
Department of Defense General Counsel.

21. Remarks

The Task Force is scheduled to terminate October 27, 2014. Task Force Members were initially appointed 6 January 2011 with reappointment on 27 January 2012, 19 Jan 2013. and 13th March 2014. Task Force officially chartered 18 November 2010. The charter was then renewed on 20 November 2012. The Task Force has successfully submitted to DoD reports on 3 September 2011, 3 September 2012, and 3 September 2013. There are no subcommittee members.

A total of 61 recommendations the Task Force continues to follow or continues to address. This also includes those recommendations of non-concurrence by DoD.

Does the agency provide the committee with feedback regarding actions taken to implement recommendations or advice offered?

Yes ☒ No ☐ Not Applicable ☐

Agency Feedback Comments

Secretary of Defense is required to provide a 90 day evaluation and a 180 day implementation plan for the task force recommendations. These documents are submitted to the Congressional Oversight committees.

What other actions has the agency taken as a result of the committee's advice or recommendation?

Checked if Applies

Reorganized Priorities	<input checked="" type="checkbox"/>
Reallocated resources	<input checked="" type="checkbox"/>
Issued new regulation	<input checked="" type="checkbox"/>
Proposed legislation	<input checked="" type="checkbox"/>
Approved grants or other payments	<input type="checkbox"/>
Other	<input type="checkbox"/>

Action Comments

In addition to standardizing care and promoting parity across the Services, written policy marshals resources, facilitates information flow between DoD and the Services, and reduces redundancies. DoD's effort in publishing new regulations in response to the task force recommendations helps them reorganize priorities, reallocate resources, and results in less need for legislative intervention.

Is the Committee engaged in the review of applications for grants?

No

Grant Review Comments

The Task Force does not do grants review.
