20a. How does the Committee accomplish its purpose?

The responsibility of this committee is to provide recommendations to the Forest Service and BLM consistent with the Federal Lands Recreation Enhancement Act of 2004. Specifically, this committee provides recommendations on matters including, but not limited to: the implementation of a standard amenity recreation fee or an expanded amenity recreation fee or the establishment of a specific recreation fee site; the elimination of a standard amenity recreation fee or an expanded amenity recreation fee; the expansion or limitation of the recreation fee program; the implementation or elimination of noncommercial, individual special recreation permit fees; and the implementation of fee-level changes (increases or decreases).

20b. How does the Committee balance its membership?

Membership shall be balanced and have broad representation from within each of the three membership groups. These groups include persons who represent: summer motorized recreation; winter motorized recreation; summer non-motorized recreation; winter non-motorized recreation; hunting and fishing; motorized outfitters and guides; non-motorized outfitters and guides; local environmental groups; a state tourism official; representative of affected Indian tribes; and representative of affected local governments.

20c. How frequent and relevant are the Committee Meetings?

Estimated number of meetings per year: 2. Each meeting is relevant in that they both broaden our collaborative relationships and they enable the Recreation RAC to provide recommendations on fee proposals.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

Advice of the committee is not available from other sources because the Recreation Enhancement Act requires that Recreation Resource Advisory Committees be formed to provide recommendations, which the Secretary of Agriculture may accept or reject, on fee proposals.

20e. Why is it necessary to close and/or partially closed committee meetings?

These meetings are not closed meetings. (See Charter)

21. Remarks

When established, 5 statutory committees were treated as a single "umbrella" committee. The 5 committees have been independently extracted and the umbrella

committee has been terminated and will be removed from the agency's committee inventory-KF.
