20a. How does the Committee accomplish its purpose?

The purpose of the Expert Panel is to provide an

objective review of PEPFAR's PMTCT activities, and provide recommendations to the U.S. Global AIDS Coordinator and the appropriate Congressional committees for scale-up of services to achieve the ambitious target of reaching 80 percent of pregnant women in countries most affected by HIV/AIDS in which the U.S. has HIV/AIDS programs. This report will be considered by Congress and the Executive Branch as they guide the program.

20b. How does the Committee balance its membership?

The membership of the Expert Panel is set by law and balanced with both US government representation from PEPFAR implementing agencies, as well as field representation from Ministries of Health, multilateral organizations, and PEPFAR implementing partners.

20c. How frequent and relevant are the Committee Meetings?

One meeting January 9, 2009. No subsequent meetings. The meeting was highly relevant to the Committee's work because it generated the information needed for the report.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The Expert Panel was created by law to serve the U.S. Government by providing an objective review of activities to prevent mother-to-child transmission of HIV. It provided a report with recommendations for scale-up of prevention of mother-to-child transmission services to the U.S. Global AIDS Coordinator and the appropriate congressional committees

20e. Why is it necessary to close and/or

partially closed committee meetings?

N/A

21. Remarks

The report has been completed and the committee has been terminated as of January 2010. No additional costs are anticipated.

Narrative Description

PEPFAR's strategic plan for the next five years includes scale-up of PMTCT services and pediatric care and treatment. This committee, and the report it generated, serve to stimulate changes in our programs that have made them more effective and efficient as they strive to prevent vertical transmission of HIV and treat mothers and children living with HIV.
