**20a. How does the Committee accomplish its purpose?**

Although DOT was responsible for the study report, inputs were solicited at meetings with the Committee. Inputs involved choice of technologies and projects, rationale for implementation, and suggested wording of the report. In addition, the Committee wrote to the Secretary with its own recommendation and this letter will be included in the Department's report to Congress.

**20b. How does the Committee balance its membership?**

Membership included representatives of the scientific community, labor, private sector financial interests, and public sector transportation planners. Committee members generally favored near term maglev implementation and Federal involvement.

**20c. How frequent and relevant are the Committee Meetings?**

Six meetings were held at roughly monthly intervals. No continuation is planned. Work of Committee is completed.

**20d. Why can't the advice or information this committee provides be obtained elsewhere?**

Because Congress mandated that a panel of 8 persons be created as an advisory committee.

**20e. Why is it necessary to close and/or partially closed committee meetings?**

N/A

**21. Remarks**

Committee has completed its work, but a report must go to Congress before it can be terminated. Members are serving on expired appointments.
