**20a. How does the Committee accomplish its purpose?**

Based on presentations from external and internal clinical programmatic experts and discussion among members from a wide variety of backgrounds, the Committee formulated various recommendations for how the Health Resources and Services Administration (HRSA) and other organizations should address issues around HIV/AIDS which affect HRSA programs. In addition, the Committee developed recommendations for how HRSA and the Centers for Disease Control and Prevention can improve

HIV prevention and treatment services linkages on the federal, state, and local levels based upon solicitation and review of input from CARE Act grantees, community groups, consumers, providers, and review of written comments.

**20b. How does the Committee balance its membership?**

The Committee members represent diverse regional, ethnic and professional backgrounds, including the fields of health care delivery, medical education, clinical care, preventive health, public health, and the general public. There are also representatives living with HIV.

**20c. How frequent and relevant are the Committee Meetings?**

Meetings will be held at least twice a year. Representatives of the Committee maintain ongoing communication with the Associate Administrator of the HIV/AIDS Bureau in order to facilitate implementation of Committee recommendations.

**20d. Why can't the advice or information this committee provides be obtained elsewhere?**

The Committee is comprised of individuals knowledgeable on the HIV epidemic with the broadest range of knowledge in medical and socioeconomic aspects. This expertise is essential to enhance the overall coordination of the Agency's HIV/AIDS policy decisions and activities.

**20e. Why is it necessary to close and/or partially closed committee meetings?**

N/A
