Substantial impact on continuation of key nutrition monitoring survey. Recommendations to strengthen HHS and USDA Surveys included in senior policy discussions.

Diverse perspectives as required by legislation industry, hunger advocacy, children, elderly,

technical survey design, clinical, population based approaches all represented.

20c. How frequent and relevant are the Committee Meetings?

No meeting was held. Two Presidential appointees' terms had expired and they were renewed. This Committee is mandated until the Year 2002. This is the only diverse external independent body advising the Secretaries of HHS and USDA on nutrition monitoring issues. Council provides perspectives from data users not obtainable in-house.

N/A
