20a. How does the Committee accomplish its purpose?

The Committee advised the Secretary of the Interior (Secretary) through the Bureau of Indian Education (BIE) and the Assistant Secretary-Indian Affairs by proposing regulatory language to fulfill the Secretary's responsibility to define standards, assessments, and accountability system consistent with ESEA section 1111 (20 U.S.C. §6311), as amended, for schools funded by BIE on a national, regional, or Tribal basis, as appropriate, taking into account the unique circumstances and needs of such schools and the students served by such schools and the process

for requesting a waiver for these definitions. The recommendations are reflected in the final rule found at 25 C.F.R. Part 30, Standards, Assessments, and Accountability System.

20b. How does the Committee balance its membership?

Members represent various tribes with bureau funded schools.

20c. How frequent and relevant are the Committee Meetings?

The Committee had no meetings during FY2020. The Committee submitted their final report to the Secretary of the Interior on April 1, 2019. The final rule was published on March 26, 2020 and became effective on April 27, 2020. See 85 FR 17009. The Committee successfully accomplished its stated objectives.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The advice and recommendations cannot be obtained from other sources because it is formed through discussion and consensus building with all relevant interest groups sitting at the table. The duties of the Committee were to negotiate in good faith with the goal of drafting regulatory language such that the Committee can approve by consensus the submission of said recommendations to the Secretary.

20e. Why is it necessary to close and/or partially closed committee meetings?

Meetings are open to the public.

21. Remarks

The Committee did not meet during FY 2020. The Committee submitted their final report to the
