20a. How does the Committee accomplish its purpose?

The Committee will accomplish its purpose by completing a report and recommendations for the Federal government to remove barriers to the development of the Internet of Things as called for in Section 9204(b)(5) of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Public Law No. 116-283)

20b. How does the Committee balance its membership?

Membership is balanced through ensuring members reflecting the range of industry sectors,

technical areas, and potential users including both business and consumer users of the Internet of Things. This range of expertise is called for in Section 9204(b)(5) of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Public Law No. 116-283). Selection of members also takes into account considerations of Diversity, Equity and Inclusion to enable a range of viewpoints to be present on the committee.

20c. How frequent and relevant are the Committee Meetings?
The Board will meet at least three times each year at the call of the DFO in consultation with the Board's Chair,

20d. Why can't the advice or information this committee provides be obtained elsewhere?
Section 9204(b)(5) of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Public Law No. 116-283) calls for recommendations about Internet of Things technology as used in a wide range of civilian applications and sectors and addressing this technology from a wide range of viewpoints. This range of viewpoints is not currently available elsewhere.

20e. Why is it necessary to close and/or partially closed committee meetings?
N/A
