Narrative Description

The Committee will recommend a process to solicit, encourage, and assist proposals to the Secretary to change derogatory geographic names. The Committee will make recommendations to the Secretary regarding Federal land unit names that are considered derogatory; however, in many cases, (e.g., the names of national parks and designated wilderness an act of Congress will be required. The term "Federal land unit" includes (1) National Forest System land; (2) a unit of the National Park System; (3) a component of the National Wilderness Preservation System; (4) any part of the National Landscape Conservation System; and (5) a unit of the National Wildlife Refuge System. The Committee will solicit proposals to replace derogatory geographic feature and Federal land unit names from: Indian Tribes; appropriate State and local Governments; the affected Federal Agency or Department; and members of the Public.
